

Appl. No. : 10/697,401
Filed : October 29, 2003

REMARKS

The amendments to the specification merely correct obvious errors and replace serial numbers of issued patent applications with their corresponding patent numbers. As such, the amendments to the specification do not introduce new matter.

Claims 22 and 26 are amended merely to correct obvious grammatical errors.

New Claims 27-29 are clearly supported by the original disclosure and do not introduce new matter. For example, Figures 3A and 3C disclose all of the limitations of these claims.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
